

ENDO UNLOCKED: NAVIGATING CLINICAL COMPLEXITIES

Dentsply
Sirona

📅 12th June 19:00–21:00

📍 THE MAC, 10 Exchange St West, Belfast BT1 2NJ

Struggling with tricky canals?

Unsure how to manage calcified canals or ledges? Join us for dynamic, short snappy presentations full of tricks and tips followed by some hands-on practice (with WaveOne Gold and the fantastic X Smart pro plus) Designed specifically for early career dentists who want to level up their endodontic skills and confidence.

From 'hot pulp' anaesthesia and canal access to navigating ledges, filling wide canals, and surgical decision-making, this course dives deep into the real-world challenges clinicians face every day. You'll gain practical insights into contemporary irrigation, deep margin elevation (DME) / pre-endo build-ups, and how to handle those dreaded "what now?" moments –like perforations or broken files.

Don't miss this opportunity to sharpen your skills, learn smart strategies, and build the confidence to tackle more challenging endodontic cases. Whether you're just starting out or looking to boost your clinical edge, this course will help expand your skills.

Registration 18:30pm. Light refreshments on arrival.

Special offer:

£60 Dentist

£30 QUB Final Year Students

CPD 2.5 Hours
